If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

PETITION

A timely executed USPTO Fee Transmittal was submitted and recorded by the USPTO for issuance of patent application 10/823,941 on July 7, 2006. (See Exhibit A of Petition dated October 25, 2006).

Attorney for the Application had a large number of transactions under his Deposit Account during the month of July (see Exhibit C of the Petition dated October 25, 2006). On July 10, 2006 a publication fee of \$300.00 for patent application 10/823,941 was charged to the Attorney's Deposit Account. A review of this account on this day shows that the issue could have been charged instead of the publication fee and the publication fee charge later (even the very next day). Also, it is unknown by this Attorney or others what day charges will be made to our Deposit Accounts and in our experience, there is no standard policy regarding this issue. On July 11, the Attorney's

Deposit Account was replenished with \$999.00. A total of \$9499 was replenished during this month in this sole practitioner's Deposit account which maintained an ending balance of \$2013.98, which was sufficient for issue fee of \$700.00.

On October 25, 2005, the present Attorney filed a petition to Withdraw Holding of Abandonment with the USPTO (attached in Exhibit A).

On October 26, 2006, an issue fee and a second publication fee were charged to the present Attorney's Deposit Account (attached in Exhibit B).

On November 13, 2006, the petition filed on October 25, 2006 was dismissed (attached).

Applicant requests withdraw of abandonment under CFR Section 1.137(a). To date, the present Attorney has paid through his Deposit Account two publication fees one issue fee and now a petition fee yet the allowed patent application 10/823,941 remains abandoned.

Attorney for Applicant requests that the abandonment of allowed patent application be withdrawn and the charge of the duplicate publication fee (\$300) be refunded to the Attorney's Deposit Account.

DATED this 3rd day of December, 2006.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Michael Klicpera".

Information is also available on the USPTO Internet web site:

Respond to the Notice of Abandonment by one of the following:

- 1. Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I and 37 CFR § 1.181) No fee required**

Where an applicant contends that the application is not in fact abandoned (e.g., a reply was in fact filed), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181 to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f). In order for a petition to be granted, the evidence must be sufficient according to 37 CFR § 1.8(b) Certificate of Mailing; 37 CFR § 1.10 "Express Mail" mailing or MPEP 503 Postcard Receipt as Prima Facie Evidence. The petition should be addressed as follows:

By mail: Mail Stop: Issue Fee, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450

By facsimile: 571-273-8300

- 2. Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (MPEP 711.03(c) II and 37 CFR § 1.181). No fee required**

Where an applicant contends that the original Notice of Allowance and Fee(s) Due was never received, if adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450

By facsimile: 571-273-8300

- 3. Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)**

Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) or (b) (accompanied by the appropriate petition fee) is necessary to revive the abandoned application. The text of these rules is available on the USPTO Internet Web site. Forms for these petitions, "Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a)," PTO/SB/61, and "Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)," PTO/SB/64, are available in the forms section of the USPTO website: <http://www.uspto.gov>.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:

By mail: Mail Stop Petition, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450

By facsimile: 571-273-8300

Note: Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment

DECISION ON PETITION

This is a decision on the Petition, received in the United States Patent & Trademark Office (USPTO) on October 25, 2006, which is being treated as a Petition To Withdraw Holding of Abandonment under 37CFR 1.181.

The petition is **DISMISSED**. Any request for reconsideration of this decision, or as explained below, filing a petition seeking revival under 37 CFR § 1.137, must be filed within TWO (2) MONTHS from the mail date of this decision.

The above-identified application was held abandoned for applicant's failure to timely pay the issue fee, as required in the Notice of Allowance and Fee(s) due mailed June 23, 2006. The Notice of Abandonment, mailed on October 4, 2006 indicates, "The submitted fee of \$300 is insufficient. A balance of \$700 is due."

The Office acknowledges receipt of Part B – Fee(s) Transmittal on July 7, 2006, authorizing that the Issue Fee and the Publication Fee be charged to Deposit Account No 50-2274. On July 7, 2006, when an attempt was made by the Office of Finance to charge the fees, there were insufficient funds in the Deposit Account.

37 CFR 1.25 (a) and (b), which states in part:

1.25(a) ...An amount sufficient to cover all fee, services, copies, etc., requested must always be on deposit. Charges to accounts with insufficient funds will not be accepted."

1.25 (b) ...An authorization to charge a fee to a deposit account will not be considered payment of the fee on the date the authorization to charge the fee is effective as to the particular fee to be charged unless sufficient funds are present in the account to cover the fee.

In light of the non-compliance with 37 CFR 1.25, the holding of abandonment cannot be withdrawn.

Applicant may seek relief by filing a petition for Revival of Abandoned Application under CFR § 1.137 (a) or (b). (Forms are available at USPTO website <http://www.uspto.gov>)

- Under 37 CFR 1.137(a), a petition for the revival of an *unavoidable* abandoned application
- Under 37 CFR 1.137(b), a petition for the revival of an *unintentionally* abandoned application

Further inquiries with respect to filing a petition under 37 CFR § 1.137 may be directed to the Office of Petitions at 571-272-3282 or addressed as follows:
